TREND- SETTING

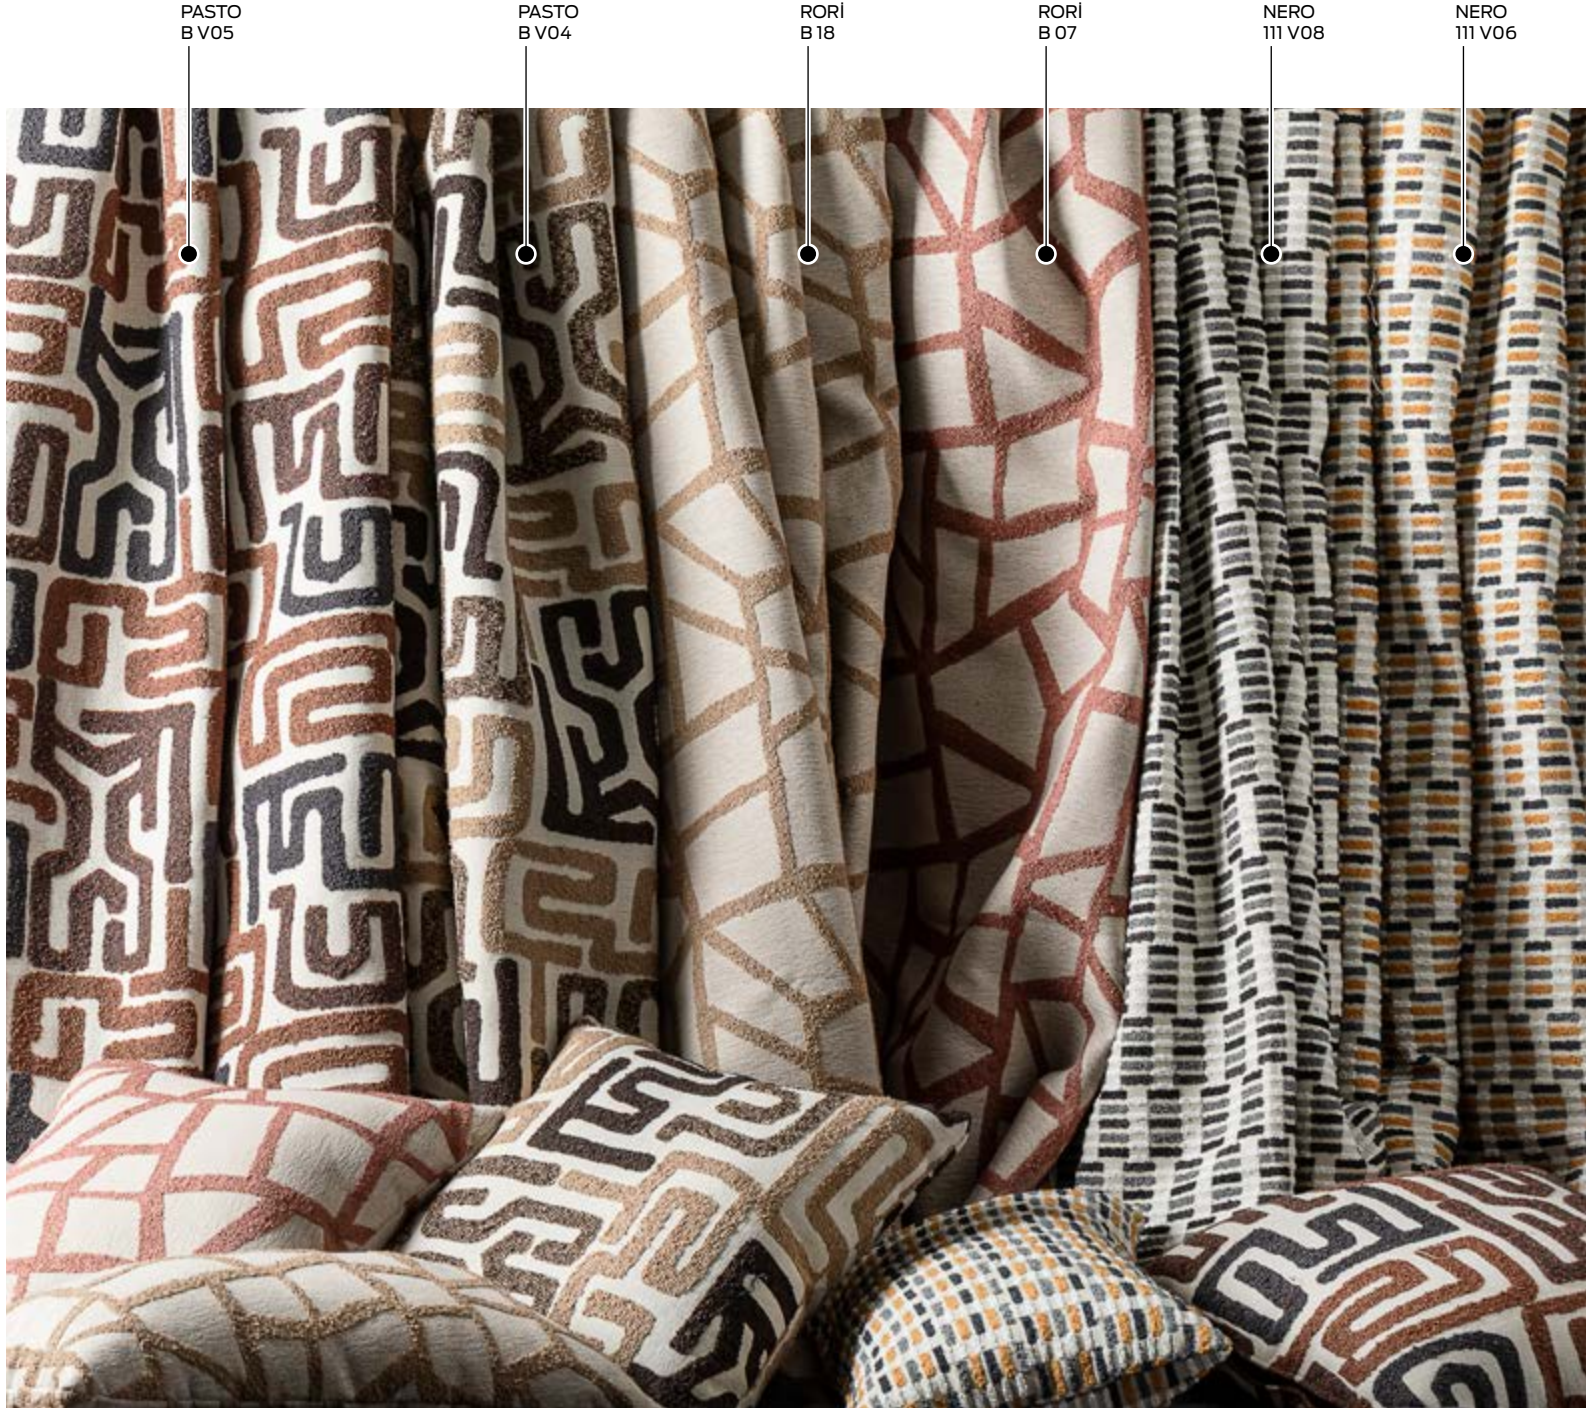

The image displays a variety of textile patterns and textures. In the foreground, there are several pillows: one with a bold geometric pattern in brown, white, and black; another with a striped pattern in shades of brown, orange, and grey; and a third with a complex, multi-colored geometric design. A dark blue pillow with a floral pattern is also visible. The background features draped fabrics with various patterns, including a large-scale geometric pattern in brown and white, and a striped pattern in grey and white. The overall color palette is warm and earthy, with a focus on natural dyes and traditional patterns.
